# A Talk by Prominent scientist from ISRO

Page No.  
Date

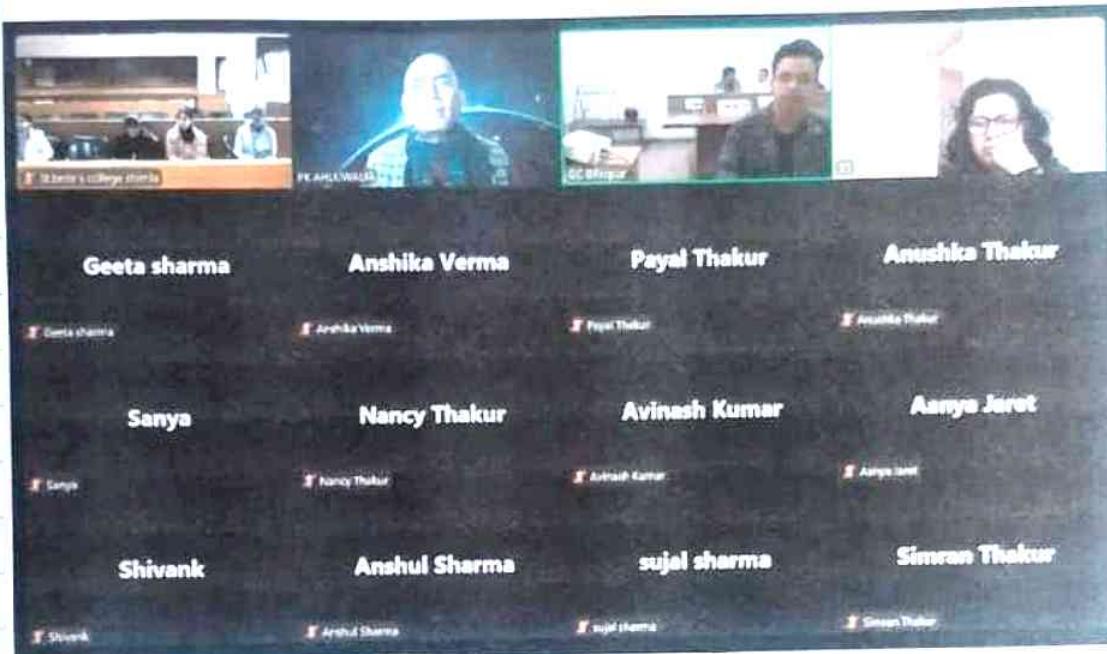

Today on dated 10<sup>th</sup> August, 2024, Dr. Thakur SKR, a prominent scientist from ISRO delivered a talk on various opportunities in Research and Space Organization. He also sensitized the students of Physics Department to get the job in diverse fields. He also made students aware about the basic scientific principles and technologies used in satellite, Rockets, Chandrayaan and Mangalyaan. He was also accompanied by a social scientist from CRRID Chandigarh. He also delivered a talk about interdisciplinary approach in basic sciences and social sciences (Dr. Manoj Teotia). Our College Principal Dr. PS Khatwal welcomed both the renowned persons and Vote of thanks was made by HOD Physics, Dr. Sujit Chandel. On this occasion, all Physics faculty, UG and PG students were present.
