

Dear Teachers,

Reference to the Notification No. 7-1/2024-HPU (Acad.) dated 02 April 2024 and also a meeting of the NEP Committee, held on 5 April 2024 at Himachal Pradesh University to discuss and finalize the Himachal Pradesh University Curriculum & Credit Framework of 3 and 4-Year UG Programs to align with NEP 2020, a list of subject experts has been drawn up, formulated on the advice of the members of this Committee. About 25 members including 7 Principals and 2 representatives of DHE attended this meeting. In this meeting, Principals & representatives of DHE suggested that 3 experts (in addition to BoS members) in all subjects should be involved in preparing/confirming the proposed syllabi of the 3 and 4 Year Undergraduate programs.

The following names have been mentioned in the list provided by the authorities in this regard as below for Journalism and Mass Communication:

1. Ms. Geeta Sharma, G. B. Pant Memorial Govt. College, Rampur Bushahr, Shimla
2. Smt. Navendu Bansal, Govt. College Bilaspur
3. Mr. Sudhir Negi, Rajkiya Kanya Mahavidyalaya, Longwood, Shimla

As per the instructions received from the University authorities, we have to prepare and submit NEP compliant UG Syllabus of Journalism and Mass Communication as early as possible. The chair hereby advises the members/special invitees to the BoS to come up with their draft of the NEP compliant syllabus for the first year of UG programme (Complete with structure and content) along with the complete outline of syllabus for 4 years to be considered in the BoS which will be held soon. Before this meeting, we will have a preliminary round of online discussion to finalise the proceedings on May 7 at 1.30 pm via google meet link <https://meet.google.com/xkt-pwdz-rpp> which you are expected to join.

ie meet link <https://meet.google.com/pwdz-rpp> which you are expected to n.

Members are expected to submit their inputs duly typed and formatted with standard/reputable references in shape of a MS-word document in order to be considered in the BoS which will be held later on. These inputs will be scrutinised as per the provisions of the NEP and thereafter can be considered for inclusion in the syllabus. Each member is also required to provide the following stakeholder's suggestions: Students enrolled in the JMC programme, Parents and Industry experts (3 Each). These suggestions can be compiled in a single document by the BoS members, enumerated, along with their contact details with emails and phone numbers.

All the Principals concerned are requested to inform their respective faculty members in this regard as we do not have their official contact details. The chair requests all members/Principals to kindly acknowledge this email/message.

**TO WHOMSOEVER IT MAY CONCERN**

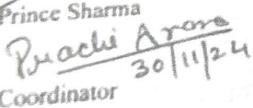

This is to certify that Dr. Arun Kumar, Assistant Professor, Department of Physics of Govt. P.G. College Bilaspur, Himachal Pradesh, India has delivered an insightful and noteworthy talk titled "Optical properties of materials using SIESTA: A DFT based code" on 21<sup>st</sup> Nov 2024 during the Workshop "Applications of Optical Principles in Engineering", organized by Indian Institute of Information Technology (IIIT-Una), Himachal Pradesh Una, from 18<sup>th</sup> Nov -22 Nov 2024. His expertise and contribution significantly enriched the learning experience of the participants and added immense value to the academic rigor of the workshop. We sincerely thank Dr. Arun Kumar for his time, effort, and dedication.

We appreciate his support and look forward to future collaborations.

With Warm Regards,
