

3.8 Adequatenumber of ComputersUsage ofcomputer hardware:

The college boasts a robust technology infrastructure, comprising 201 computers that cater to both academic and administrative requirements. To support efficient document management across various departments, 51 printers are available, along with a photocopier for high-volume printing and copying tasks. This well-organized setup ensures that both students and staff have consistent and reliable access to essential digital resources.

Department wise ICT facilities

Sr. No.	Name of the Department	Computer/laptop	Printer or scanner or both	Wi-fi facility
1	Physics	1	1	Yes
2	Computer Science	1	2	Yes
3	Biotech	3	2	Yes
4	B.Voc	2	2	Yes
