

S/N-2

To

The Principal,
Govt. College Bilaspur,
Himachal Pradesh.

Subject: Permission to host Ph.D. Scholars from Punjab Engineering College (Deemed to be University), for a week research training.

Respected Sir/Madam,

I am pleased to inform you that I have received a formal request from **Prof. Sanjeev Kumar** (Physics Department, Punjab Engineering College (Deemed to be University)) to discuss research problem on supercapacitors.

His student Radhika wish to visit the Department of Physics at our college for a duration of one week to learn the **SIESTA** software package to design supercapacitor electrode materials under my guidance.

This interaction will not only be beneficial for the visiting scholar but will also enhance the research profile and academic environment of our institution. In this regard, I seek your kind permission to allow Radhika.

I assure you that their presence will not interfere with the regular teaching schedule.

Thanking you,

Yours sincerely,

Dr. Arun Kumar
Assistant Professor
Department of Physics
Govt. College Bilaspur.
Date: February 14, 2026

To: sanjeev@pec.edu.in

I would like to request your permission to visit Dr. Arun Kumar, Assistant Professor, Government College Bilaspur (H.P.), for research discussion on DFT from 16-02-2026 for one week. I believe this meeting will help clarify some important points and support the progress of our ongoing work. Kindly grant me permission to proceed with this visit.

Sincere regards

Radhika

Research Scholar

Subject: Permission to host Ph.D. Scholars from JNU, New Delhi, for a 15-day research training.

Respected Sir

I am pleased to inform you that I have received a formal request from **Prof. Manish K. Kashyap** (School of Physical Sciences, Jawaharlal Nehru University, New Delhi) to provide training to two of his Ph.D. scholars, **Mr. Pardeep Kumar** and **Mr. Pankaj Thakur**.

The students wish to visit the Department of Physics at our college for a duration of **15 days** to learn the **SIESTA** software package and computational simulation techniques under my guidance.

This interaction will not only be beneficial for the visiting scholars but will also enhance the research profile and academic environment of our institution. In this regard, I seek your kind permission to:

1. Allow these students to work in the Physics Department for the specified duration.
2. Utilize the necessary departmental computer lab facilities for training purposes.

I will finalize the specific 15-day slot based on your approval and the college academic calendar. I assure you that their presence will not interfere with the regular teaching schedule.

Thanking you,

Yours sincerely,

Dear Sir

I wish to send two of my Ph.D. students to learn SIESTA from you for 15 days.
The names of students are as under:

1. Pardeep Kumar
2. Pankaj Thakur

In this regard, I request you to allow them to work under your guidance at Department of Physics, Govt. College, Bilaspur. I also request you to allow a 15-day slot as per your convenience.

Best

Subject: Application for permission to pursue a research work under the guidance of Dr. Arun Kumar and access the college premises.

Respected Sir,

With due respect, I am Satish Kumar, a former student of Govt. College Bilaspur. I have successfully completed my Master's degree in Physics (2022-2024). Where I worked on Hydrogen Storage Material under the guidance of Dr. Arun Kumar and Dr. Monika Chandel which motivates me to continue my research work.

I am writing this application to respectfully seek your permission to pursue a research under the guidance of Dr. Arun Kumar, faculty member of the Department of Physics. I am keenly interested in continuing research work in nanomaterials, as it will help me strengthen my academic background and prepare for future research and doctoral opportunities.

For carrying out this research work effectively, I would require access to the college premises and academic facilities as permitted under the guidance of my supervisor. Therefore, I kindly request you to grant me permission to visit the college premises for academic and research purposes.

I assure you that I will strictly follow all the rules, regulations and academic discipline of the institution. I shall remain fully responsible for maintaining the decorum of the college at all times.

I shall be highly thankful to you for your kind consideration and support.

Thanking you.

Yours sincerely,

Subject: Request for Approval to Continue Research Work under Dr. Arun Kumar

Respected Sir,

I am Samiksha Chauhan, a former student of Govt. College Bilaspur, and I have successfully completed my Master's degree in Physics (2021-2023) from this esteemed institution. During my postgraduate studies, I worked on research related to lung cancer detection under the guidance of Dr. Arun Kumar and Dr. Monika Chandel, which greatly motivated me to continue research-oriented academic work.

I am writing this application to respectfully seek your kind permission to pursue research work under the guidance of Dr. Arun Kumar, faculty member of the Department of Physics. I am deeply interested in continuing research in the field of nanomaterials, as it will help me strengthen my academic foundation and prepare for future research and doctoral opportunities.

For the effective conduct of this research work, I would require access to the college premises and academic facilities, as permitted under the supervision of my guide. I therefore humbly request you to kindly grant me permission to visit the college for academic and research purposes.

I assure you that I shall strictly abide by all the rules, regulations, and academic discipline of the institution and will maintain the decorum and dignity of the college at all times. I shall be highly grateful to you for your kind consideration and support in this regard.

Dr. Arun Kumar

Subject: Request for permission to continue research work after completion of M.Sc.

Respected Sir,

My name is Samar Kapila and I am a student of the Department of Physics at Govt. College, Bilaspur. I have successfully completed my Master of Science in Physics (2023-2025) from your esteemed institution.

During my master's program, I carried out my master's thesis under the supervision of Dr. Arun Kumar, where I worked on twistrionics. This research experience has deeply motivated me to pursue further research in physics and has strengthened my interest in an academic and research-oriented career.

Although my master's degree has now been completed, I am very keen to continue my research work. Therefore, I humbly request you to kindly grant me permission to visit the college regularly and continue research under the guidance of Dr. Arun Kumar. This opportunity would greatly help me in gaining deeper research experience.

I assure you that I will strictly follow all college rules and regulations and maintain academic discipline during my presence on campus. I shall be highly grateful to you for your kind consideration of my request.

Thanking you.

Yours sincerely,
