Date: 19 March 2026

APPRECIATION LETTER

We are pleased to express our appreciation to Government Degree College Bilaspur, Himachal Pradesh for their support and enthusiastic participation in the futuristic training programs conducted by **IIT Mandi iHub & HCI Foundation** under the PMKVY 4.0 initiative of the Ministry of Skill Development and Entrepreneurship, Government of India.

It was encouraging to see the active involvement of 42 students, who successfully completed the residential training programs at IIT Mandi iHub and HCi Foundation. The training covered key areas such as Artificial Intelligence and Computer Vision, giving students both conceptual understanding and practical exposure to emerging technologies that are shaping today's digital world.

We would especially like to acknowledge the efforts of **Prof. Ashwani Chandel** for his constant support and coordination, which played an important role in the smooth conduct of these programs. We are equally grateful to **Dr. P. S. Kutwal**, Principal, Government Degree College Bilaspur, for his encouragement and commitment towards creating meaningful learning opportunities for students.

Collaborations like these help bridge the gap between academics and industry, and we truly value this support. We look forward to working together again in the future.

Ms. Volga Verma
General Manager
