Subject :- Request for access to digital library resources

Respected Sir,

With due respect we want to say that we, the undersigned, are post graduate alumni of the department of physics at Govt. College Bilaspur, who successfully completed our degree in the year 2024-2025. During our time at the college benefitted greatly from the academic environment, guidance of our teachers, and in particular, the rich resources of the college library.

We are currently engaged in academic and research activities in preparation for higher studies. To support this we kindly request continue the access for college digital library resources for research purposes.

We assure you that the resources will be used strictly for academic work only. We would be grateful for your support in this matter.

With sincere regards

Use of classroom after college hours

The library operates in two distinct schedules to accommodate both early-morning and evening users. Room **219** is open from **8:00 AM to 9:30 AM** and again from **5:00 PM to 8:00 PM**, while the main reading room remains accessible from **9:30 AM to 5:00 PM**. This arrangement provides a total of **400** seating capacity and ensures that students have ample space for quiet study throughout the day. Hence College Library is providing reading area service for **12 hours** from **8.00AM to 8.00PM** and during event for **24 hours**. College is also providing Boys hostel reading room facility & Girls Hostel reading room facility for **24 hours**.

Sr.No 19. Feedback from users

Positive Aspects of Our Library

1. Cooperative Nature of Librarians One of the strongest aspects of our library is the helpful and cooperative attitude of the two librarians. They are always supportive and guide students effectively.

2. Introduction to NLIST

The librarians also introduce students to new digital resources like NLIST, where one can explore virtually all the books available in the library. This significantly improves accessibility to learning resources.

3. Peaceful Environment for Studying

The library generally provides a calm and academic atmosphere conducive to studying, reading, and completing assignments.

Areas Needing Improvement

1.Lack of Table Partitions

The study tables in the library are not partitioned, which results in a lack of privacy. Students sitting next to each other can easily see what others are doing, causing distraction and discomfort.

2. Insufficient Books for Competitive Exams

There is a noticeable lack of updated study material for competitive exams such as CUET-PG. Since many students pursue master's degrees after B.Sc., adding such resources would greatly benefit them.

Suggestions for Improvement

1. Installation of Partitioned Study Tables

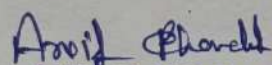

Introducing partitioned study tables would help students concentrate better by providing privacy and minimizing distractions.

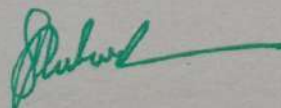

2. Adding Competitive Exam Books

The library should include more competitive exam books, especially for CUTET-PG and other postgraduate entrance tests, to support students aiming for higher studies.

3. Enhancing Digital Resources

Although NLIST is available, additional digital platforms, e-journals, and online learning subscriptions could further strengthen the library's academic support

Sr. No. 20 Action on the basis of Feedback

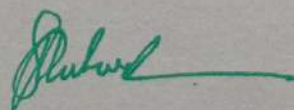

Action on the basis of Feedback:-

As per student's feedback, enhancements have been made to library facilities:-

- **New Study Space:-** Room no. 218, an AC hall, has been added to the library to provide a comfortable learning environment.
- **AC** has been installed for students as per their demand.
- **Upgraded Furniture:-** 16 new Library Standard tables and 100 Chairs have been installed in room no. 218 to support collaborative and individual study sessions.
- **Online & E-Resources :-** Outside users or ex-faculty members can also access the service of **Online E-Resources and E- Books**. College Library is already providing this service. They can visit the library to be registered on all subscribed digital portals **NDLI (National Digital Library Of India)** etc. This service aims to improve access to scholarly content.

These improvements aim to boost student engagement and productivity. Further Upgrades are being considered based on ongoing feedback. These changes aim to create a more productive and welcoming space for all students. We welcome further
