Annual Report

Since its establishment in 1952, Government College Bilaspur has been upholding its motto “TAMSO MAA JYOTIRGYA” to contribute to society through the pursuit of education and, thus, proudly maintaining its reputation as one of the oldest and amongst the most prestigious colleges of Himachal Pradesh. Nestled below the magnificent Bandla hills on the arresting bank of famous Govind Sagar lake, the college campus provides ideal surroundings for the seekers of knowledge. Past 70 years have witnessed the dedication and firmness with which the college has established a glorious record of academic excellence and has made remarkable achievements in various fields such as sports, cultural and extracurricular activities.

The college is affiliated to Himachal Pradesh University and has been accredited B rating by National Accreditation and Assessment Council (NAAC). The institution offers various undergraduate and postgraduate courses in Arts, Science, Commerce and Vocational streams. Under the self-financing scheme, the college is running Bachelor of Computer Application (BCA), Post Graduate Diploma in Computer Application (PGDCA) and B.Sc. in Biotechnology. For the development of the professional skills and for connecting education to the needs of a developing nation, the college also offers BBA, B.Voc and BTTM. The college achieved academic excellence with the commencement of PG classes in English, Economics and Commerce. It is a matter of pride that the college has created opportunities for the pursuit of higher studies in science stream by introducing PG courses in Physics, Chemistry and Mathematics in 2021. This initiative attempts to bridge the gap between the students from rural area and their urban counterparts in the context of higher education. In addition, the institution is also providing distant education through IGNOU study centre.

The college was covered under Utkrisht Mahavidyalaya Yojna (UMY) for which one crore INR was granted by the state government for development of new infrastructure and improvement of existing facilities. Establishment of five smart classrooms, one language lab and digitalisation of college library was covered under UMY.

The college possesses well equipped and spacious labs in various departments to combine classroom teaching with laboratory experiences. The college library is equipped with INFLIBNET facility and maintains a convenient access to print and electronic sources. Regular activities related to Sports, NCC, NSS and Rover & Rangers enhance the vibrance of the institution. Hostel facilities for students and residential quarters for its teaching and non-teaching members are also available in the college. Eco Club, Road Safety Club, Gender Equity Cell, Literary Club, Prehari Club and Red Ribbon Club are active for the integrated development of students. The college hosts a number of inter-college sports and cultural events to provide various opportunities to students for sharpening their talent and skills in different fields. The college also has Environment Club, Energy Club, Ek Bharat Shresth Bharat Club, different cultural societies and subject related societies to celebrate various notified days and events to educate students throughout the year.

Presented a paper titled “A Symbiotic Relationship between Human and Trees: An Ecocritical Analysis of ‘Fegra Blossoms’ by Murari Sharma” in an international conference on Environmental Concerns, Climate Change and Resource Management in Western Himalayas organised by IQAC, RTGDC, Sarkaghat on 5- 6 June, 2023.
6. Presented a paper titled “Ethical Values as Propagated by Rabindranath Tagore’s “Geetanjali”: A Critical Analysis” in a national seminar on Ethics in Society: Issues and Challenges organised by Govt. P.G. College Bilaspur on September 16, 2023.
7. Presented a paper titled “Tomb of Sand as a Novel of Partition, Collective Memory and Trauma: A Critical Analysis” in an international conference on English Language, Literature and Culture organised by The Achievers Foundation for English Studies in collaboration with MMM University (U.P.) and LJNH Degree College, Una on 2-3 December, 2023.
8. Attended International FDP on “Academic Writing and Research Methodology” organized by the Govt. Degree College, Ani, Haripur, Kullu, Himachal Pradesh, India and Cape Comorin Trust, India from 24-30 November 2023.

Dr. Amit Kumar

1. Attended two week online refresher course in Chemistry organized by HRDC Kumaun University, Nainital Uttarakhand, India from 08-07-2023 to 21-07-2023.
2. Presented paper on “Conservation and Restoration of Water Bodies, a Need of Life: Strategies and Solutions” at a national conference on Environmental Concerns in the Himalayan Region organised by Govt. College Jukhala, District Bilaspur (H.P.) on 20-05-2023.
3. Presented paper on “Ethical Aspect of Science and Technology” at a national seminar on Ethics in Society: Issues and Challenges at Govt. PG College Bilaspur (H.P.) on 16-09-2023.
4. Presented paper titled “Hydrogel based Polymeric Material for the Waste Water Treatment” in international conference on Recent Trends in Engineering Science and Technology organised by Govt. Hydro Engineering College Bandla Bilaspur (H.P.) on 29th and 30th January, 2024.
5. Presented paper on “National Policies for Protection of Environment and Sustain Development” in international conference on Recent Trends and Innovations for a Greener Future organised by Govt. College Hamirpur (H.P.) on 9th & 10th Feb 2024.

Dr Arun Kumar

1. Presented a research paper titled “Ferromagnetism in Defected TMD (MoX₂, X = S, Se) Monolayer and Its Sustainability under O₂, O₃, and H₂O Gas Exposure: DFT Study” in peer reviewed journal, Nanomaterials.
 2. Presented a paper titled “Tailoring optical properties of the Au₂₄ nanocluster through metal atoms substitution: A DFT Approach” in international conference on Quantum Technologies and Applications (ICQTA) jointly organised by the department of Atomic and Molecular Physics, Manipal Academy of Higher Education (MAHE), Manipal, and the department of Physics, Manipal University, Jaipur (MUJ) (12-14th Feb 2024).
- Delivered a series of lectures in one week international workshop on ‘Nano Materials Modelling using Machine Learning and SIESTA (NMM-2023)’ organised by department of Physics, Government P. G. College Bilaspur, Himachal Pradesh, India (14th-19th April 2023).
 - Delivered a lecture on “DFT on the Fly using SIESTA-II” in national workshop on Material Design and Processing organised by School of Physical Sciences (SPS), Jawaharlal Nehru University (JNU), New Delhi and Indian Association of Physics teachers (IAPT) (8th-10th May 2023).
 - Delivered a series of lectures in Science and Engineering Research Board (SERB) sponsored High-end Workshop (KARYASHALA) on Theory and Applications of In-Silico Approach for Materials Modelling organized by the department of Computational Sciences, Central University of Punjab, from 05th to 11th February 2024.
 - Delivered a series of lectures in ‘One Week School on Nano-Materials Modelling Using SIESTA (SNMM-I)’ (28th December, 2023-2nd January 2024) organised by Department of Physics, Government P. G.College Bilaspur, Himachal Pradesh, India .

Conducted a demonstration cum lecture at Centre of Excellence Govt. College sanjauli, Shimla during the celebration of Glorious Science Week (February 22-28, 2024) on 23rd February 2024.

Dr. Jai Chand Mehalwal

1. Co-authored a text book titled *Differential Equations* (New millennium publications) ISBN 978-93-88-18-61-86
2. Attended refresher course in Mathematics w.e.f. 13 July to 26 July 2023 from Teaching Learning Centre Ramanujan college, University of Delhi.
3. Attended orientation program on NAAC Accreditation organized by ACRNET India on 25-10- 2023.
4. Attended one week 2024 online FDP on Pure And Applied Mathematics w.e.f. 03-02-2024 to 09-02-from PG and research department of Mathematics, Jamal Mohamed College,Tiruchirapalli
5. Presented a paper titled ‘Application of Mathematics in daily life’ in national seminar on Applications of Mathematics in teaching and learning process at GC Nadaun, HP on 19-12-2023.
 - Co-chaired a session in a national seminar on Applications of Mathematics in teaching and learning process at GC Nadaun HP on 19-12-2023.
 - Received *Hindi Kavya Rattan Award* by Shabd Pratibha Foundation Nepal.
 - Donated blood 22 times.
 - Received *Rashtriya Ekta Award 2024* by Sarv Dharam Seva Sambhav Manch,India.

Dr. Suresh Kumar Jamwal

1. Successfully completed the pre-commission (PRCN) course at NCC Officers Training Academy, Kamptee w.e.f. 12 June 2023 to 09 Sept. 2023 for Associate NCC Officer Naval Wing and got Commissioned as Sub. Lieutenant.
2. Presented a paper titled “Ethical Values as Enshrined in NEP-2020: An Analysis” in a national seminar on Ethics in Society: Issues and Challenges organised by Govt. P.G. College Bilaspur on 16th September, 2023.
3. Presented a paper titled “Indian Economy: Past, Present and Future - An Analysis” in an international conference on Business, Sustainable Development and Indian Society (ICBSDIS-2023) organised by Department of Commerce

and Economics, Govt. College Dehri, Distt. Kangra on 6-7 November, 2023.

4. Attended International FDP on “Academic Writing and Research Methodology” organized by the Govt. Degree College, Anni, Haripur, Kullu, Himachal Pradesh, India and Cape Comorin Trust, India from 24-30 November 2023.

Dr. Radhe Shyam

1. Qualified departmental exam on 18-08-2023.
2. Participated in two week refresher course in Mathematical Sciences on “Foundation Course in Vedic Mathematics” organized by Teaching Learning Centre (TLC), Ramanujan College in collaboration with Sri Jayachamarajendra College of Engineering, JSS Science and Technology University, Mysuru-570006 w.e.f. 01-09-2023 to 14-09-2023.
3. Participated in one day national seminar on Ethics in Society: Issues and Challenges organised by GC Bilaspur on 16-09-2023.

Dr. Ghanshyam

1. Presented a research paper titled “Improved Optical, Multiferroics, and Photocatalytic Properties of $\text{Bi}_{1-x}\text{Sm}_x\text{Fe}_{1-y}\text{Sn}_y\text{O}_3$ Nanoparticles Synthesized by Sol–Gel Method” published in peer reviewed journal, Physica status solidi (a).

Dr. Renu Kumari

1. Qualified departmental exam on 18-08-2023.
2. Attended one week workshop on “Nano-Material modelling using machine learning and SIESTA(NMM-2023).
3. Attended two week refresher course in Mathematical Sciences on Foundation course in Vedic Mathematics organized by Teaching Learning Centre & Department of Mathematics, Ramanujan College, University of Delhi in collaboration with Department of Mathematics Sri Jayachamarajendra College of Engineering, JSS Science and Technology University, Mysuru w.e.f. 01-09-2023 to 14-09-2023.
4. Attended one day national seminar on Ethics in Society : Issues and Challenges organized by Govt. College Bilaspur 16-09-2023.

Ms Sheetal Dhiman

1. Attended one week induction training programme at SCERT Solan.

Joint Papers

1. **Dr. Surjeet Kumar and Dr. Arun Kumar** presented a research paper titled “Intercalation of Lithium Atom/Ion in carbon, Silicon and Germanium Nanotubes” in 6th National Conference on Advanced Materials & Radiation Physics (AMRP-2023)” organized by Physics department, Sant Longowal Institute of Engineering and Technology Longowal – 148106, Distt. Sangrur (Pb.), India from 18 to 19 May 2023.
2. **Dr. Ghanshyam and Dr. Surjeet Kumar** presented a research paper titled “Photocatalytic degradation of Rhodamine B under solar light irradiation using ferroelectric catalyst towards environmental sustainability” in a conference “Environment Concern, climate change, and resource management in western Himalaya” at RTGDC Sarkaghat (5-6 June 2023)
3. **Dr. Arun Kumar, Dr. Ghanshyam, Ms. Sheetal Dhiman** and M.Sc. Students (**Anmol Sandhu, Abhay Chaudhary, Aman Kumar and Narendar Sharma**) presented a paper titled “Graphene-Borophene Heterostructure: A potential Game changer for Early Stomach Cancer Diagnosis Through VoCs Sensing” in an international conference on Quantum Technologies and Applications (ICQTA) jointly organised by the Department

of Atomic and Molecular Physics, Manipal Academy of Higher Education (MAHE), Manipal, and the Department of Physics, Manipal University, Jaipur (MUJ) (12-14th Feb 2024).

4. **Dr Surjeet Kumar, Dr Arun Kumar, Dr Monika** and M.Sc. Students (**Samiksha Chauhan, Radhika Sharma, Shalini Thakur and Shubham Thakur**) presented a paper titled “Mo vacancy – Engineered MoS₂ML: A potential Game changer for Early Lung Cancer Diagnosis Through VoCs Sensing” in an International Conference on Quantum Technologies and Applications (ICQTA) jointly organised by the Department of Atomic and Molecular Physics, Manipal Academy of Higher Education (MAHE), Manipal, and the Department of Physics, Manipal University, Jaipur (MUJ) (12-14th Feb 2024).

Dr. Sanju Bala Sharma

1. Presented and published a paper titled "Growth of Himachal Pradesh Gramin Bank" in 3rd international conference on Emerging Trends and Researches in Professional Development of Faculties in Multi Disciplinary Domains (ICERTPDF-23) organized by Jan Nayak Ch. Devi Lal PG College of Education, Sirsa (HRY.)
2. Awarded degree of Ph.D. on the topic “Growth and Performance of Himachal Pradesh Gramin Bank: An Empirical Analysis” from CPU Kota Rajasthan.
3. Presented a paper titled “Impact of Organization Policy: Work life of Employee and Employee Engagement” in international conference on Contemporary Research in Engineering, Science, Management & Arts (ICCREMA-24).

Prof. Rohini Kanta

1. Attended one week FDP on “Advances in Analytical and computational Technique” for Higher Education and Research in June 2023.

Dr. Sonika Kumari

1. Awarded degree of Ph.D (Chemistry) titled “Synthesis, Characterization and Catalytic Applications Of Hydrotalcite- Type Anionic Clays” by Career Point University Hamirpur, (H.P.).
2. Received second Patent Grant Certificate on 11-09-2023 titled “A Process Of Recycling Of Polycarbonate Waste Into Bisphenol A (Bpa) Monomer”. Patent No. 450586. Application no. 202211046556.
3. Published a paper titled “Layered Double Hydroxides: An insight into the role of Hydrotalcite-type Anionic Clays in Energy and Environmental applications with Current Progress and Recent Prospects” in Materials Today Sustainability.
4. Published a paper titled “Layered double hydroxides: A gleam on their synthetic routes with biomedical applications” in International Journal on Interactive Design and Manufacturing, 2023.
5. Published a paper titled “Layered Double Hydroxides and their Tailored Hybrids/Composites: Progressive Trends for delivery of natural/synthetic-drug/cosmetic biomolecules” in Environmental Research. 2023.
6. Published a paper titled “MAICO₃ Based Layered Double Hydroxides for Catalytic Depolymerization of Poly(ethylene terephthalate) and Poly(bisphenolA carbonate) Waste Materials” in Research Square. Preprint. 2023.
7. Published a paper titled “Layered Double Hydroxides Reinforced Polymer/Biopolymer Hybrids/Composites as Advanced Materials in Food Packaging Applications” in Applied Clay Science. 2024.

Dr. Rakesh Kumar

1. Presented research paper titled “Impact of Ethics and Values in Indian Higher Education” in a national Seminar organized by Govt. College Bilaspur HP in September 2023.
2. Presented research paper in a national conferences on ‘Role of Civil Society In Biodiversity Conservation’ organized by Govt. College Sarkaghat HP in December 2023.

Prof. Sanjay Kumar

1. Presented a research paper titled “Sustainable Tourism in Wetlands with Special reference to Pong Dam” in national conference on “Biodiversity Loss and Climate Change :Two faces of the Same Coin” on 3rd December,

- 2023 in Rabindranath Tagore Govt. Degree College Sarkaghat, Mandi (H.P).
2. Participated in the Annual Bird Count Exercise on 31st January, 2024 and Bird Festival Event in Pong Dam Lake Wild Life Sanctuary held on 1st & 2nd February 2024 conducted by Hamirpur Wild Life Division, Wildlife Wing of Himachal Pradesh forest Department.

Prof. Puneet Singh

Attended three days training program as a nominee from Great Himalayan National Park (GHNP), a World Heritage Site and HP Forest Department in Wild Life Institute of India (WII) Dehradun on the topic “Role of Civil Society in Tourism and Natural Heritage Conservation” from 29th – 31st January 2024.

Prof. Teg Singh

1. Participated in an international conference on “Future of Learning” organized by Chitkara University Chandigarh held on 19 January, 2024.
2. Presented paper on “Analysis on Wi-Fi network and security” in an international conference on “Contemporary Researches in Engineering, Science, Management & Arts” created & powered by CRT on 22 February, 2024.
3. Presented paper on “Grey Hole Detection & prevention” in an international conference on “Contemporary Researches in Engineering, Science, Management & Arts” created & powered by CRT on 24 February, 2024.

Institutional Prospective Plan

The institute is growing at an incredible pace marching ahead with all its might and upright spirit. As philosophically uttered “Soul never thinks without a picture,” so the institution visualises accomplishments of the following prospective plans in the coming sessions:

1. To organise seminars/conferences (national/state/local) at least one for each stream (Arts & Vocational/ Commerce & Management/ Science & Computer Science).
2. To organise career and counselling sessions for each department.
3. For beautification, the white washing of administrative block, conference hall, NCC, NSS room will be carried out. More flowerbeds will be developed. Botanical garden will also be developed in the institute.
4. Proposal for new PG block, auditorium, vocational block, facilities for indoor games would be prepared and submitted to higher authorities for approval.
5. Creation of more SMART class rooms in new and old block, so that every subject teacher gets teaching facility based on ICT.
6. Faculty members will be encouraged to attend online/face to face FDPs, workshops, to publish books and also to submit research papers and research proposals for grant.
7. Plantation drive would be carried out throughout the year.
8. Creation of posts in the subject of Physics, Mathematics and Chemistry where PG courses are running. A special post for EVS is also required.

I hope my dreams come true as “Dreams followed by honest actions lead to success.”

I bow in gratitude before the Almighty who gave the vision to accomplish various tasks assigned to me. The cooperation from the teaching staff, non-teaching staff and the students deserve special appreciation. The college administration is thankful to IPH department, PWD, HPSEB ,HP Police, Health and Family Welfare department for their cooperation and help. Thanks are also due to the press for covering the college events from time to time. Last but not the least, I thank all those who have graced the occasion with their benign presence. I congratulate all the prize winners for their hard work and well deserved success. Once again, I extend my heartiest gratitude to our worthy Chief Guest for sparing his valuable time.
